PP WOVEN BAG

LEADING MANUFACTURE IN CHINA

WENZHOU XIFA INDUSTRIAL CO.,LTD.

Xifa Industrial Company is located in Cangnan, Wenzhou, China. The company covers a total area of 40 acres. The first-phase factory covers 40,000 square meters, and the second-phase factory, scheduled for completion by the end of 2025, will cover an additional 30,000 square meters.

The company operates 3 filament production lines, 150 circular weaving machines, 15 printing machines (including 6-color, 7-color, and 8-color presses), 5 composite production lines, 12 film blowing machines, 17 fully automatic cutting and sewing integrated machines, and 120 hemming sewing machines. The annual production capacity is 400 million small woven bags.

The group serves approximately 400 clients, with core products including high-end small packaging color-printed woven bags and high-end bulk bags. Key clients include CNOOC Group, PetroChina Group, ISAOSA, SQM, ADM, P&G, , among other well-known leading domestic enterprises.

The company adheres to the philosophy of “Quality First, Integrity in Business,” continuously seeking progress and improving services. After nearly 25 years of steady development, Xifa Industrial Company has become one of the leading domestic manufacturers in the plastic woven industry, with comprehensive processes, large-scale production, and a wide range of products.

Jiangxi Minzheng Plastic Industry Co., Ltd.

Jiangxi Minzheng Plastic Industry Co., Ltd. is a wholly-owned subsidiary of Wenzhou Xifa Industrial Co., Ltd. Established in 2022 in Jiangxi, the company specializes in the production of ton bags and container bags.

Main products:

PP ton bags of various specifications for food grade and dangerous goods grade (various sizes of ordinary bags, inner reinforcement, inner lining bags, laminating and other specifications of special bags). In production, we have our own processing workshops, and strict management procedures from drawing and weaving to finished bags, strictly customized according to customer requirements. Our export products have been exported to many countries and regions such as South America, USA, Southeast Asia, Middle East, Africa, Europe, etc.

OFFICE TEAM

With 800 staff members, XIFA has a very high productivity. We have different departments for different tasks. It keeps everything efficient.
